DECLARATION AND STATEMENT OF VOISLAV DAMEVSKI

I, Voislav Damevski, a coinventor on the above-identified application, hereby declare and state as follows.

1. I was originally named as a coinventor on international application number PCT/US03/25813. My name on this international application was listed as "Voit Damevski," as I often use Voit as my first name. My legal first name, however, is Voislav. Voislav and Voit are much like Robert and Bob. My first name was listed as Voit on international application number PCT/US03/25813, although in this application the declaration is using my legal first name of Voislav. If the use of Voit on international application number PCT/US03/25813, and the change to Voislav in this application, is an error, then this error was made without deceptive intent. Also, I note that I signed the declaration in this application as "Voislav Damevski", although the typed portion is written as "Voislav ("Voit") Damevski."

2. On January 9, 2006, I received from Alan Loudermilk via email an electronic file that included a four page Declaration and Power of Attorney for the above-identified application. This Declaration and Power of Attorney had been signed by all other inventors (there were seven in total listed) except Frederic Flohr and me. For expediency, I printed,

signed, scanned and emailed back to Mr. Loudermilk only the page that I signed. He more recently contacted me and requested that I send to him the entire Declaration and Power of Attorney that I reviewed and signed in January 2006. I mailed to Mr. Loudermilk a printout of the entire declaration that I reviewed and signed on January 23, 2006, and I also included the original of the signature page that I signed on January 23, 2006. I also initialed each page for purposes of confirmation.

3. I hereby confirm that these statements are also true for international application number PCT/US03/40051 and application serial no. 10/541,640. I signed the Declaration and Power of Attorney for application serial no. 10/541,640 in the same manner, and at the same time, as I signed the Declaration and Power of Attorney for application serial no. 10/541,536.

4. I hereby confirm that these statements are also true for international application number PCT/US2004/033975 and application serial no. 10/555,360. I signed the Declaration and Power of Attorney for application serial no. 10/555,360 in the same manner, and at the same time, as I signed the Declaration and Power of Attorney for application serial no. 10/541,536 (although my name used in international application number PCT/US2004/033975 was Voislav Damevski, and not Voit Damevski).

The undersigned declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Voislav Damevski

Dated: June 29, 2006
